Overview of ATI Worksite Solutions

ATI Worksite Solutions (AWS) is a division of **ATI Holdings, LLC**, providing a fully-integrated, on-site team of healthcare professionals in hundreds of employer worksites across the country.

The fastest growing division within ATI, we focus on identifying symptoms at their earliest stages in the workplace, mitigating work-related injuries, facilitating expedient and appropriate return-to-work, and maintaining the health and well-being of your workforce.

The Industrial Athlete: Keeping Them in the Game

Thursday, September 17, 2015

NCAA Hall of Champions
700 W. Washington St.
Indianapolis, IN 46206

Conference Presenters and Agenda

Dr. Gregory Hale, Ph.D, Private Practice:

Dr. Hale is a licensed psychologist providing consultation and psychological services for individuals, attorneys, physicians, insurance companies, and manufacturing and service companies. Dr. Hale graduated from Anderson University and Ball State University. Dr. Hale maintains an independent private practice in which he treats people with a wide range of psychological issues

Dr. Reed Hoyer, MD:

Dr. Hoyer is a fellowship trained orthopaedic hand surgeon. He attended Wabash College, completed his medical degree at IU, an orthopaedic residency and specialized training in surgery for the hand and upper extremity at Tufts Medical Center. Dr. Hoyer is a hand surgeon for Premier Ortho in Bloomington, IN.

Dr. David Schwartz, MD:

Dr. Schwartz graduated from Indiana University and attended medical school at Loyola Univ. He completed a residency in orthopedic surgery at Northwestern Univ, and completed a spine fellowship at the Leatherman Spine Center. Dr. Schwartz is an assistant clinical professor at the IU Dept. of Orthopaedic Surgery and is Director of the OrthoIndy® Spine Fellowship.

Dr. Meredith Langhorst, MD:

Dr. Meredith Langhorst graduated from Indiana University in Bloomington, Indiana University School of Medicine in 2001 and completed her internship and family medicine and a multidisciplinary spine fellowship at OrthoIndy. Dr. Langhorst sees patients with a wide range of spinal disorders through OrthoIndy.

Dr. Michael E. Berend, MD:

Dr. Berend is a Board Certified Orthopedic Surgeon, is a graduate of Hanover College, Duke University Medical Center and completed a fellowship in joint replacement surgery at the Center for Hip and Knee Surgery. Dr. Berend has been recognized by his peers as one of the top surgeons in North America and currently practices at the Midwest Center for Joint Replacement.

Dr. Richard Jackson, MD:

Dr. Jackson is a Board Certified Orthopedic Surgeon. He graduated from the IU School of Medicine, continued at Southwestern Michigan Area Health Education Center and did his fellowship in Pediatric Orthopedics at Ranchos Los Amigos Hospital. In 2003 he founded Greenwood Orthopedics where he continued until 2014. Dr. Jackson currently practices with Midwest Center for Joint Replacement.

Dr. Wesley Lackey, MD:

Dr. Lackey attended Vanderbilt University, the IU School of Medicine and did his orthopedic residency with the Greenville Hospital System, followed by a hip and knee fellowship. Dr. Lackey currently practices with the Midwest Center for Joint Replacement.

Dr. Earl Craig, MD:

Dr. Craig began practice directly out of residency at the Rehabilitation Associates of Indiana and specializes in non-operative spine care and electrodiagnosis. Dr. Craig is the Clinical Assistant Professor at the IU School of Medicine, is Board Certified in Physical Medicine and Rehabilitation and a member of many agencies.

Ronald “Chet” Brandon, CSP, CHMM, MS, MA:

Mr. Brandon is a highly experienced EHS Executive with extensive practice in the Process Industries (chemical, metals & glass) and Manufacturing Operations (automotive, aerospace & electronics) and serves as the VP of Ops for AWS. He holds degrees in Economics (BBA), Safety Technology (MS) and Industrial/Organizational Psychology (MA), all from Marshall University. He has led industrial companies, including Fortune 500 businesses, to EHS excellence on a global scale.

Michael Shelley, Safety Director, Engineered Bar Division, Steel Dynamics, Inc.:

Mr. Shelley is a highly experienced occupational safety and health professional with over 35 years of practitioner and leadership experience across a wide range of industries. He has extensive experience in loss control for a major insurance carrier. Mr. Shelley is currently the Safety Director for the Engineered Bar Products Division of Steel Dynamics, Inc., located in Pittsboro IN, which is the largest mill of its type in the United States. Mr. Shelley received a Bachelor of Science degree in Environmental Safety and Safety Management from Indiana State University.

Sheila Denman, MA, MS, PT, CEIS, Senior Vice President, ATI Worksite Solutions:

For more than 20 years, Sheila has specialized in all elements of industrial injury prevention and treatment of Workers' Compensation clientele. She is responsible for consulting, training and industrial materials design services in ergonomics intended to enhance the systems that make up the work environment.
